Hi! I am TzuYi, now studying in International Business at Shih Chien University.

Specialty: Native in Mandarin, and fluent in English. Experienced in Microsoft and outlook.

Also experienced in multi-tasking, intercultural communication, teamwork, business case analysis and public speech.

Education

Bachelor of English Taught Program in International Business
Shih Chien University of Management, Taipei, 2020

Experience

1 Server, Wired Tokyo · Jul 2017 - Mar 2018
To serve customers and make sure every customer has a wonderful time in our cafe. And this job required teamwork, patient, enthusiastic attitude and circumspection.

2 Translator, Oh!Study Spring 2018 Overseas Education Expo
· Mar 2018 - Mar 2018

I was a translator and a representative for Oxford International Education Group at the Spring 2018 Overseas Education Expo in Taipei on March 3rd, 4th. It required to do the research and get to know the background and other informations about the school, and also a high level of professionalism and English language proficiency to translate the whole conversation between the visitor and the school.

Competition

ISBC

A business case competition held by INTI University in Malaysia. Each group needed to find a solution of an issue, and my group came out with the idea of "public refrigerator " which applied the concept of sharing economy into "food wastage ".

IUBC

A business case competition held by English Taught Program in International Business at Shih Chien University in Taipei. Each group asked to proposed a practical plan to solve the problem that Sunfar has facing right now. And my team won the second place among 8 groups.
